This is what I’ll do for you in this review class:

1. Give you the paper copy of the application so you don’t have to print the thing. It’s 40+ pages.
2. Take your picture to attach to the application.
3. Decide which exam to take and why you might want to take the one you are choosing (Therapeutic Massage Exam vs. Therapeutic Massage and Bodywork).
4. Walk you through the application process including the additional supporting paperwork you must provide.
5. Give you study materials including quizzes for the content you have to “grasp” to pass the exam.
6. Teach and review content for the exam including: general knowledge of the body systems including anatomy, physiology, kinesiology and pathology plus therapeutic massage/bodywork assessment and application, and professional standards, ethics, business/legal practices.
